Best Organic Olive Oil...

GourmetSardinia's Organic Oil wins International Award

Houston, May 10, 2006...At the annual VinItaly exhibition in Verona, Italy, the prestigious exhibition of the world's best producers of wines from around the world, there was a rare opportunity to indulge in not only wines but the world's best olive oils as well.

Slow Food® is an international organization founded to protect the pleasures of the table from the homogenization of modern fast food and life and which promotes gastronomic culture. Slow Food's publication, Slow Food® Editore, held an international competition to find the best olive oils for their "Guida agli Extravergini 2006."

GourmetSardina's Organic Extra Virgin Olive Oil as represented by our partner and producer, Chiedda s.r.l., was honored to receive the title "Migliore Extravergine Biologico", which translates as Best Organic Extra Virgin Oil.

GourmetSardinia's oils are available for purchase at gourmetsardinia.com and other fine specialty food retailers.
